Industrial Sickness

*588. SHRI SURESH PACHOURI : Will the Minister of COMMERCE AND INDUSTRY be pleased to state :

(a) whether Government have prepared a report seeking to identify causes behind the growing incidence of sickness in Indian Industry;

(b) if so, the details thereof; and

(c) how government propose to solve the problem of managerial deficiency, which as per the report, accounts for 43 per cent of the cases of sickness ?

THE MINISTER OF COMMERCE AND INDUSTRY (SHRI MURASOLI MARAN) : (a) and (b) According to the Reserve Bank of India (RBI), which compiles data on sick industrial units, assisted by the banks in the country, several factors, both internal and external, often working in combination have been responsible for industrial sickness. The main causes include deficiencies in planning, management, marketing etc.

(c) The Government has taken a number of steps for reducing industrial sickness which, *inter-alia,* include guidelines of RBI to banks, amalgamation of sick units with healthy units, formulation of revival plants through various institutional mechanism, etc.'Managerial deficiency', which is attributable to financial administrative, production, implementation and other factors, gets addressed during formulation of revival plan by the appropriate institutions.

Urban Water Supply Project

*589. SHRI RAMACHANDRA KHUNTIA : Will the Minister of URBAN DEVELOPMENT be pleased to state :

(a) whether the government have been assisting the States through Urban Water Supply Project and Accelerated Urban Water Supply Programme;

(b) if so, the details of the schemes sanctioned for each state alongwith the amount thereof during the last year ;

(c) the names of places in Orissa for which the aforesaid scheme has been sanctioned and pending for sanction, alongwith projected amount on each scheme ; and

(d) what steps Government have taken or propose to take to implement the aforesaid scheme in Jajpur town Jajpur Road, Panikoili Laukhia and Jaraka towns of Tajpur district of Orissa ?

THE MINISTER OF URBAN DEVELOPMENT (SHRI JAGMOHAN): (a) Water supply, being a state subject, is primarily the responsibility of the State Government/urban local bodies which plan, formulate, execute, operate and maintain water supply facilities from the State Plan resources. However, in order to supplement the efforts of the state Government for providing water supply facilities, a centrally sponsored Accelerated Urban Water Supply Programme (AUWSP) is being implemented for towns having population less than 20,000 as per 1991 census under which assistance is provided to the State Governments on 50:50 matching basis to implement water supply schemes.

(b) Water supply schemes for 109 towns have been approved under AUWSP at a total estimated cost of Rs. 15952.15 lakhs during the year 1999-2000. The details are at statement-I (*see* below).

(c) Water supply scheme for 14 towns of Orissa have been approved under AUWSP at a estimated cost of Rs. 2186.19 lakhs. No schemes under AUWSP are pending for Orissa. The details are at statement-II (*see* below).

(d) The government of Orissa has not proposed any water supply scheme for Jajpur Town, Jajpur Road, Panikoili, Kaukhia and Jarak to this Ministry. Hence, the question of taking any step by the Central Government does not arise at present.

STATEMENT-I

Accelerated Urban Water Supply Programme (AUWSP) Schemes approved during 1999-2000

Status as on 31-3-2000
